x2/wk: Monday 6:00-9:00pm and Friday 5:30-8:30pm

Do I need to register for Spring? Spring registration is already included in your year-round fees, so no additional registration is needed. The only exception is for Level 2 or 2/3 gymnasts training once per week in May and June — if you want to add a second training day (Mondays 7–9 pm), you must register and pay for that extra class. Early registration for this class will run January 31st at 8:00am – February 3rd at 11:59pm and will guarantee a spot. After this, registration for this class will open February 15th with the rest of our programming and will only remain open until we hit capacity.
