

Registration Info

FALL/WINTER SEASON

SEPTEMBER 13TH - APRIL 24TH

Registration opens June 14th, 2026

Early registration available for current Pre-Competitive & Competitive families (More details coming soon)

Thank you for your interest in Selkirk Selects Gymnastics. The following pages provide information about program changes, schedules, and fees for our upcoming season.

Our club is dedicated to providing a safe, positive, and encouraging environment where athletes can grow in confidence, strength, and skill—both in gymnastics and in life.

We're excited to share some big goals and new developments for Selkirk Selects. As our club continues to grow, we are actively working toward relocating to a new building that will offer more space, improved training opportunities, and room for our programs to thrive.

We're also proud to introduce our new Intraclub Program, designed to provide athletes with a supportive, in-house competitive experience focused on skill development, confidence, and fun. Within our competitive pathway, we are continuing to expand our XCEL Program, which now includes XCEL Silver. Thank you for being part of this exciting chapter—we can't wait to grow together!

NEW LOCATION FOR TOTS PROGRAM

Due to growing enrollment and our need for additional space, all Preschool TOTS programs will be running out of the Gordon Howard Centre, lower level, located at 384 Eveline Street, Selkirk, MB. This change allows us to provide a more spacious and comfortable environment for our youngest gymnasts to learn, move, and play. Thank you for your understanding and continued support—we're excited for this next step!

Help turn credit card fees into new equipment! By choosing pre-authorized debit, you help Selkirk Selects Gymnastics save thousands of dollars each year—funds that can go directly toward new tumble tracks, beams, and equipment for our athletes.

If you choose this method of payment, please ensure sufficient funds remain in your account for up to 5 business days after each transaction to avoid NSF charges.

TUITION INCREASE EXPLAINED

This season's tuition reflects the inclusion of two Cash Calendar fundraisers, giving families the chance to earn back up to \$200 while supporting the club. Funds raised will go directly toward new equipment purchases for our athletes.

The Preschool TOTS program will participate in one Cash Calendar fundraiser only, with a reduced fundraising amount accordingly.

Thank you for helping us grow and improve our gym—your support makes a big difference!

Pre-Competitive GIRLS

SEPTEMBER 13TH* -

APRIL 24TH

*Registration opens June 14th, 2026 - INVITE ONLY

Schedule may be subject to change

(Last update 05/06/26)

WHAT IS INTRACLUB?

Intraclub is our internal competitive gymnastics program, with all competitions held in-house to provide a supportive and familiar environment for developing gymnasts. The program is structured as a Sunday evening class, with gymnasts training once per week. An optional additional training night on Tuesdays is available; however, Tuesday training must be taken in conjunction with the Sunday class and cannot be selected on its own.

Gymnasts compete in two in-house events each season—one in December and one in April—at Bronze, Silver, or Gold level, as assigned by their coaches based on readiness and skill progression. Athletes may be considered for advancement to a higher level for the second competition of the season.

Entry into the Intraclub program is by invitation, typically from our Pre-Competitive or Rec 3 programs. Additionally, multisport athletes may transition from our CCP (Competitive Program) into Intraclub to maintain their involvement in gymnastics without the overall demands and training commitment of CCP.

SCHEDULE

INTRACLUB • 11+ yrs

x1/wk Sunday 6:00-9:00pm • \$1060

x2/wk Sunday 6:00-9:00pm & Tuesday 7:00-9:00pm • \$1430
