

PROTECT YOURSELF FROM COVID-19

SANITIZATION STATION

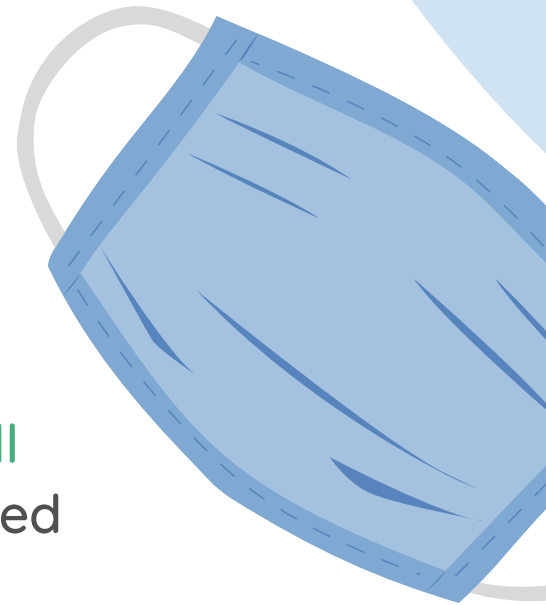

STEP 1: Spray to **wet surface thoroughly**.

- Mats, bars, vinyl surfaces and other frequently touched items must be sanitized. **Do not sanitize the floor or beam.**
 - Spray bottle & cloth: Small equipment
 - Flat mop: Large equipment

STEP 2: Allow the surface to **remain wet for 10 minutes**, then wipe it down with a cloth or the flat mop on large surfaces.

STEP 3: At the end of each class, **place all dirty cloths in the "Dirty Cloths" bin** located in the office

This sanitization process must be done between all classes, and must be done during classes if a child touches equipment before sanitizing their hands.
